DIGITAL PLANET: TOMORROW'S TECHNOLOGY AND YOU, COMPLETE (10TH EDITION) (COMPUTERS ARE YOUR FUTURE)

Prentice Hall, 2011. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Want to invite the new neighbors over for a dinner fresh from your garden? Need some great ideas for that next SEC football Saturday? Hoping to outdo your sister-in-law's famous potato salad at the Fourth of July picnic? You know you are! Y'all Come Over is a celebration of Southern entertaining and the recipes that always find their way into the spotlight at any good down-home s gathering. Join Patsy Caldwell and Amy Lyles Wilson to discover a South where the blackberry lemonade is always perfectly chilled and the chicken fried steak with cream gravy was perfected long ago. It's where the bacon-wrapped barbecued shrimp is a mainstay for those last-minute get-togethers, and where the fancy roasted asparagus and beef tenderloin is the perfect company-worthy menu. It's where the praline bundt cake is sweet enough to swing the vote in a local election, and where a visit from the preacher is worthy of the best pot roast recipe east of the Mississippi. Y'all Come Over is a reminder that Southern entertaining doesn't have to be fussy, and that there's always a way to extend that trademark hospitality to your friends and family any day of the week. Holidays and birthdays are only the beginning. You'll quickly learn that just about any day of the week deserves a healthy dose of neighborliness and some crowd-pleasing Southern cooking! So get ready to become that hostess with the fried green tomatoes and farm fresh squash tarts that leave the neighbors scrambling to accept another dinner invitation. And pretty soon your sweet tea-brined pork chops will have everyone begging for the recipe. It's time to grab a drink, put up your feet, and prepare for a lesson...
