EARLY STAGE PROFESSIONAL: STARTING OFF RIGHT (PAPERBACK)

Fergus Mellon, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. EARLY STAGE PROFESSIONAL: getting it right is designed to help the very smart, but professionally unsophisticated group of employees who are in the workplace: those in their first five years following graduation. The book provides Early Stage Professionals (ESP s) with everything that they need to meet their goals as they move from early stage through to more sophisticated, Growth Stage Professionals. Everything means charting out the basics (when to get into the office, how to take vacation, have effective one-to-ones with their manager) through to the more difficult topics such as the appropriate expectations of managers, dealing with workplace conflict, how to avoid office politics and everything in between.
