Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.If you enjoy the relaxation and stress relief that coloring provides, then this is the book for you! Tangled Dreams is coloring book for all ages. Inside, you ll find 27 full page illustrations that are fun, whimsical, and floral. Each piece was carefully hand drawn then scanned in very high quality. Some drawings have a lot of detailed patterns, while others are less complex, making this book ideal for any skill level. These Zentangle inspired pieces have been printed single-sided so that they can be colored with pens, colored pencils, markers, crayons, or any other medium your heart desires. There are several blank pages provided in the back of the book to use for notes, practicing shading and blending technique before applying to the actual piece, color charts, or you can remove them to use and a protective sheet between pages for use with wet mediums such as markers or gel pens. Sit back, relax, grab your favorite coloring mediums and have some fun. You may even find yourself in the same relaxing state of mind that I did while creating these pieces. I hope you enjoy coloring these designs as much as I enjoyed creating them. HAVE FUN!.
