Once known as the Lumber Capital of the World, Williamsport, Pennsylvania, is more than its lumber heritage. It is an artistic and cultural hub enjoying a revitalization, much of which is due to the discovery of Marcellus Shale and the gas industry. As the birthplace of Little League Baseball, Williamsport boasts an award-winning school district and public library, two nationally ranked colleges, and several landmarks listed in the National Register of Historic Places. Businesses like the Grit newspaper and Shop-Vac have been at the forefront of major industries, including aircraft engines, railroad transport, and manufacturing. A new generation of business owners is changing the downtown landscape through public art, community events, and cultural activities.
