To enable you in Class Exercises or Drills to impart instruction in Geography to the very youngest of your pupils, before any text-book on the subject has been placed in their hands. The STUDY, which will enable you to proceed on the object lesson plan will serve to make such class exercises interesting, instructive and a most excellent preparation for, and introduction to, their later textbook study. z. To aid you in illustrating the facts and principles of Geography, as laid down in the standard text-books on the subjects. By means of this Study, you can by your own work, and the work of your pupils, make plain and interesting the statements and definitions contained in whatever books may be in use in your school. The object of this Manual is to assist you in the use of the Study for either of the above named...
