Createspace, United States, 2014. Paperback. Book Condition: New. annotated edition. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This journal differs from the original World History Timeline Journal in two major ways: First, it is 8 1/2 x 11 (the original one was 8 x 10). The other difference is that this one was designed with a visual approach in mind. It has more room for students to put pictures in each section. (The original journal has room for pictures and a section for writing on each page.) Both interactive workbooks were designed to help students see the chronological order of the various people and events they are studying in World History. It includes increasingly larger spaces for the centuries, as they move forward towards modern times, to allow more room for the time periods they are more likely to study in greater depth. This journal can be used and enjoyed by students of all ages.
